

# On This Rock

Rick Asher

Piano

On this Rock our church will stand, God made the foundation.  
In this church our faith will grow, Vows to God are sealed here.  
On my faith I build my life, my needs are provided;  
To the world I go from here, God calls me to sharing;—

Let no evil enter in to this precious creation.  
In our quest to know the Way, Christ will be revealed here.  
I will journey unafraid, Life and faith undivided.  
Rock and church and faith lead me to a life of caring.

On this Rock our church will stand, this will be our promised land.

By God's Grace and loving Hand here our church will stand.
